Living Room

The modern Living Room, spacious and bright, is equipped with a hard top (sky light) to experience the sea from every angle. Inside, it hosts two comfortable wall sofas and a dining table. It is also equipped with an LCD TV, BOSE sound system, air conditioning, and Wi-Fi.

Cockpit

The cockpit is equipped with a grill, mini-fridge, dining table with a dedicated bench, and comfortable chairs.

Stern Sundeck Cushion

Exiting the Living Room towards the stern, you access the spacious cockpit, where a large and comfortable sunbathing cushion is positioned. Three steps lead down to the stern beach area, equipped with a shower and a ladder for getting in and out of the water.

C O M F O R T

Bow Sundeck Cushion

The sunbathing cushion located at the bow offers a large and welcoming area dedicated to outdoor relaxation. Perfectly integrated into the elegant design of the boat, it is ideal for those who want to enjoy the sun and admire the marine panorama in total comfort.

Style

AZIMUT 68S – HT is an Italian product, known and appreciated worldwide. LP3 is characterized by a sporty line and a marked personality.

Master Suite

At the center of the boat is the large and wonderful owner's cabin, the Master Suite. It is equipped with large windows, a double bed, a pleasant sitting area, and a private bathroom with a shower.

VIP

From the Living Room towards the stern, you access the spacious and comfortable VIP CABIN consisting of a double bed and a bathroom with a shower.

Twin

The comfortable twin cabin, accessible from the Living Room, is equipped with two single beds and a bathroom with a shower.
